

World War II Veteran

Honor Flight Austin Application and Pre-Flight Checklist

Honor Flight Austin is dedicated to honoring and serving our Veterans on this trip of a lifetime to the members of the Greatest Generation with an all-expense paid trip to Washington D.C. This is our way to say "Thank you" for serving our country when our Nation needed you the most and for the sacrifices you made to keep our country safe and free to this day.

The World War II Memorial honors the 16 million who served in the armed forces of the U.S., the more than 400,000 who died, and all who supported the war effort from home. Symbolic of the defining event of the 20th Century, the memorial is a monument to the spirit, sacrifice, and commitment of the American people.

Our Veterans are accompanied by volunteer guardians, who join us along the trip to ensure safety and comfort for you. Please note that Guardians seats are limited per flight and are reserved for our Veterans needing the most care throughout the trip. We will have D.C. and Austin guardians to assist you for the two days you are on the flight with us if you do not have an assigned guardian. Our medical team will be assessing which Veterans will qualify for a personal guardian and you will be informed on whether they are able to attend or not.
